In Melbourne, known as the city of coffee lovers, there are numerous places where young people get together and socialise. These days, especially, two places have become popular, so I visited them both to see what all the fuss is about.

The first place was "Auction Rooms", which is a stone's throw away from the heart of city. Although it was Wednesday, it was packed out with young hipsters. Even after 30 minutes of waiting, I didn't feel irritated at all because of the attentive and friendly staff. Inside, the wooden furniture and subtle lighting created a charming ambience. It was not reasonably priced. However, I enjoyed the tasty modern Australian cuisine. What I admired most was the cup of coffee, which was skillfully extracted, and it's obvious that this quality adds extra value to this restaurant. Definitely, it was worth the wait!

The next place was "Spanish Market", which is off the beaten track. I really enjoyed Spanish cuisine with fresh seafood. Unfortunately, the restaurant was so cramped that I felt a little bit uncomfortable. However, the dish was undoubtedly high-quality, and I felt as if I was traveling around Spain thanks to the excellent background music of the country. The atmosphere was quite welcoming and waiters were always on hand. Even though the menu was very limited, the price was unbelievably low. That's why this place is very popular with young people, especially students.

So, which restaurant would you choose? "Auction Rooms" is the best place to enjoy authentic Australian cuisine, but go early, because the tables are always full at noon. If you would rather save money, I recommend you opt for "Spanish Market." In any case, I bet they will live up to your expectations!

Review を書くのは本当におもしろいですね。

ポイントを挙げますね。

＼POINT／

- Formal に書かない
- コントラクション（省略形）を使って口語表現にする
- 読者に対しての質問文などを入れたりして読者を惹きつけるように書く

★雑誌に記事を載せてもらうイメージで書きました。

ケンブリッジ英検おもしろくないですか？

こんな Writing、IELTS でも TOEFL でも TOEIC SW でも求められないのではないでしょ  
うか！？（知らんけど）

＼Review で点数を上げる POINT／

- たくさん形容詞を使う
- イディオムや慣用句を使う
- Phrasal Verb（句動詞）を使う

**a stone's throw away from the heart of the city** シティの中心部からすぐ近く

**off the beaten track** メイン通りからは外れた隠れ場

**to see what all the fuss is about** 一体全体何がそんなにいいのか見に行ってみました～

ちなみに内容は創作でかまいません。

1つ目の Auction Rooms は実際にオーストラリアのメルボルンにあります。

2つ目の Spanish Market はまったくデタラメでその場で作りました。

参考にしていただければうれしいです😊
